Daikin offers air conditioners for residential applications in the capacity range from 2 to 5 tons. They have been a proven leader in refrigeration and increasing efficiency with air conditioners and heat pumps.

Daikin Air Conditioner Reviews [Consumer Ratings Opinions ...

Many people know very little about their first furnace, particularly when they buy a house with the furnace already installed. Homeowners often fail to do the necessary research when buying a second furnace, as well; instead, they open the phone book and call the first HVAC (Heating, Ventilation and Air Conditioning) contractor on the list.
